Dear Art Representatives, Art Teachers and Administrators:

It is time again to begin preparing for the 58<sup>th</sup> Annual Young Peoples Art Exhibition. Imagination Celebration space has been downsized so the gallery will be in vacated store near the lower food court of the Citadel. District 11 will coordinate this event with the Imagination Celebration. The **fee is \$5.00 per student entry.** Group entries will be accepted for exhibition only. All necessary documents are located on the [D11 Visual & Performing Arts Website](#).

The YPAE prospectus will outline specific exhibit procedures, judging criteria and time-lines. Over the years, classroom teachers, art teachers, principals, event coordinators, art supervisors, and Imagination Celebration staff have collaborated to develop this document. The purpose of the prospectus is to clearly state the entrant's responsibilities, thus ensuring maximum communication and teamwork to produce a high quality art exhibit for our students and community. The purpose of this show is to recognize, award, and display the creative works of students in grades K-12 with an exemplary ability to demonstrate the Colorado Visual Arts Standards.

**Registration will be from January 10 through March 1, 2020.** Please mail your check and registration made payable to **School District 11**. (If you are a D11 elementary or middle school, your school will not write a check, but rather fill out a Journal Entry form.)

We look forward to another successful Young Peoples Art Exhibition and to your participation.

Sincerely,

Laurilea McDaniel
