## **Originality Clarification**

**Internet Encarta Dictionary Definition:** novelty, uniqueness, inventiveness, creativity, freshness, imagination, ingenuity

**Newness:** the quality of newness that exists in something not done before or not derived from anything else. (Encarta Dictionary 2006 9/2/06 @ 2:25pm)

The Young Peoples Art Exhibition requires all participants enter only pieces that are original in concept and presentation. No copies or modified duplications, kits, molds, books, dye cuts, overhead projections, tracings, ditto patterns, magazines, websites of other artist's works will be considered original.

1. If a student uses other artist's images that are copyright protected in the categories of commercial art or mixed media, sources must be attached to the display label. The work of art should not contain the overall "essence" of the appropriated image...
2. For all other categories, if the image is copyright protected, written permission from the company or artist must be attached to the inventory sheet and sources must be attached to the display label.
